

Hello future third grade parents!

I am beyond excited to have your students next year. I've made a supply list of things that your student will need next year. If this causes a financial burden at all, please let me know and I will make sure your child does not go without.

Wish List:

Folder (for homework and parent teacher communication)
binder (2") with 5 dividers
pencils (24 pack)
tissues (1 square box)
ziplock bags (1 gallon, 1 sandwich size)
Expo markers (3 small black, 1 large black)
disinfectant wipes (2)
paper towel (1)

Thank you all so much for your help with these items it will help our classroom budget last the whole year. I am grateful for your help!

Thank you,
Mrs. McCarthy
