1.0 Study Session

Study Session for the Board to Review Increasing Cohort Size / Combining Cohorts to Enhance Current Opening Practices

Dr. J reviewed the Covid -19 prevention plan with the board members and public. Since we have been open we are already ahead on this. It was suggested that we get the staff tested for Covid each week. That is going to get quite costly.

We are looking into bringing back all of the students to school on February 22, 2021. Our plan is for every Monday to be a minimum day with students getting out at 12:15. Tuesday through Friday would be all day.

10.0 Adjournment

Adjourned at 6:30 pm.

Respectfully, Amiee Ryan, Administrative Assistant
