

¡HOLA
!

La clase de ESPAÑOL

In Spanish, we have had the best time getting to know each other. I wanted to share some of the things we have been doing in class. These first few weeks we will be using words like:

me gusta- I like

se llama- his/her name is

me encanta
I love it.

¡Qué asco!
How disgusting!

hay- there is/are

The paper attached is from our discussion of what we like to eat and what we do not like to eat.
