

Are you ready for the 7th grade?

Don't forget your TDAP!

California Health Laws require that all students entering the 7th grade must have two doses of Varicella and a Tetanus, Diphtheria, Pertussis (Tdap) booster, given after the age of 7, prior to entering the 7th grade.

Students of all grade levels (Tk-12) transferring to a new school need to meet all age-appropriate immunization requirements.
