Purpose

This template will aid LEAs in the development of a program plan as required by EC Section 46120(b)(2). In this program plan, LEAs will describe program activities that support the whole child, and students' Social and Emotional Learning (SEL) and development.

Definitions

"Expanded learning" means before school, after school, summer, or intersession learning programs that focus on developing the academic, social, emotional, and physical needs and interests of pupils through hands-on, engaging learning experiences. It is the intent of the Legislature that expanded learning programs are pupil-centered, results driven, include community partners, and complement, but do not replicate, learning activities in the regular school day and school year. (EC Section 8482.1[a])

"Expanded learning opportunities" has the same meaning as "expanded learning" as defined in EC Section 8482.1. "Expanded learning opportunities" does not mean an extension of instructional time, but rather, opportunities to engage pupils in enrichment, play, nutrition, and other developmentally appropriate activities. (EC Section 46120[e][1])

Instructions

This Program Plan needs to be approved by the LEA's Governing Board in a public meeting and posted on the LEA's website.

The program plan template guide is considered a living document that is periodically reviewed and adjusted to reflect the needs of the community, updates in the law, and to provide continuous improvement in the development of an effective ELO-P.

The LEA is responsible for creating, reviewing, and updating the program plan every three years in accordance with EC Section 8482.3(g)(1). LEAs are encouraged to work collaboratively with partners and staff to develop and review the program plan. The LEA is responsible for the plan and the oversight of any community partners or subcontractors. The LEA should include any partners in the development and review of the plan. It is recommended that the plan be reviewed annually.

The Expanded Learning Division adopted the Quality Standards for Expanded Learning in California (Quality Standards) and introduced requirements for Continuous Quality Improvement (CQI) to help programs engage in reflection and be intentional about program management practices and activities delivered to students. To create the program plan, provide a narrative description in response to the prompts listed under each Quality Standard below. The LEA may customize and include additional prompts, such as describing SEL activities, or refining the plan. In addition to the narrative response, it

may be useful to include tables, charts, or other visual representations that contribute to the understanding of the ELO-P. LEAs are encouraged to download and reference the Quality Standards in order to provide ongoing improvements to the program. The Quality Standards can be found on the California Department of Education's (CDE) Quality Standards and CQI web page, located at <https://www.cde.ca.gov/ls/ex/qualstandcqi.asp>.

1—Safe and Supportive Environment

Describe how the program will provide opportunities for students to experience a safe and supportive environment. Include if the program will be offered on the schoolsite or off campus. If not on site, describe where in the community it will be and how students will be supported to get there.

The Extended Learning Program-What I Need (ELP-WIN) will be offered on the only school site in the LEA; staffed by either credentialed teachers or aides. Positive Behavior Intervention and Supports along with Social-Emotional Learning will be emphasized. Currently, Knights Ferry does not provide transportation to any students. Carpools will be encouraged and assisted in formation.

2—Active and Engaged Learning

Describe how the program will provide opportunities for students to experience active and engaged learning that either supports or supplements, but does not duplicate, the instructional day.

We are targeting several engaging, supplemental activities including robotics, art and music. We are also targeting academic support provided primarily in the morning of the program. Summer or intersession opportunities will also center on a STEM curriculum, opportunities to work on the school farm and various walking or other field trips supporting student engagement.

3—Skill Building

Describe how the program will provide opportunities for students to experience skill building.

Students will be provided opportunities to practice classroom work or homework assigned by the classroom in the morning before school. After school and intersession program will focus on science, technology, engineering and math in a format wherein other academic areas are integrated. Activities related to agriculture and the school farm will also assist students with building both academic and prosocial skills.

4—Youth Voice and Leadership

Describe how the program will provide opportunities for students to engage in youth voice and leadership.

Students will be allowed to pick their activities during the after school program along with their parents. Older children may be paired with younger children in order to provide leadership opportunities for the older students. Offering student choice and consideration of activities will be utilized as is possible.

5—Healthy Choices and Behaviors

Describe how the program will provide opportunities for students to engage in healthy choices and behaviors. Describe how students will be served nutritious meals and/or snacks during the ELO-P hours of programming.

The current district social-emotional learning curriculum, Fly Five will be used and these lessons will be taught within the program three times weekly. School values: Respect, Ownership, Attitude, Responsibility and Safety will be consistently emphasized throughout the day for intersession and in the after-school component. Knights Ferry will contract with the Oakdale Unified School District to continue to provide nutritious lunches and to add nutritious breakfasts and snacks which will be made available in the school cafeteria before and after school for enrolled participants.

6—Diversity, Access, and Equity

Describe how the program is designed to address cultural and linguistic diversity and provide opportunities for all students to experience diversity, access, and equity. Describe how the ELO-P will provide access and opportunity for students with disabilities.

All students in Knights Ferry School are invited to participate. Curriculum will be modified as necessary to serve students with disabilities and translation opportunities as needed will be provided to English Learners.

7—Quality Staff

Describe how the program will provide opportunities for students to engage with quality staff.

Currently, proposed staff consists of credentialed teachers already on site. Current KFS employees will be given preference in hiring for openings.

8—Clear Vision, Mission, and Purpose

Describe the program's clear vision, mission, and purpose.

The mission, vision and purpose of the KFS ELOP is to provide an enriching, engaging and student friendly program to enhance student learning and academic achievement.

9—Collaborative Partnerships

Describe the program's collaborative partnerships. Local educational agencies are encouraged to collaborate with non-LEA entities to administer and implement ELO-P programs.

All collaborative partnerships will be explored in order to enhance student engagement throughout the program.

10—Continuous Quality Improvement

Describe the program's Continuous Quality Improvement plan.

The staff involved will conduct monthly evaluations in order to enhance quality improvement. On

11—Program Management

Describe the plan for program management.

Teacher leaders will consult with site administrator and site admin assistant for program management.

General Questions

Existing After School Education and Safety (ASES) and 21st Community Learning Centers (21st CCLC) Elementary and Middle School grantees.

ASES, 21st CCLC Elementary/Middle School, and the ELO-P should be considered a single, comprehensive program. In coordinating all these funding streams to move towards a single program, the expectation is that the most stringent requirements will be adopted for program guidance. If one or both grants are held, please describe how the ELO-P funding will be used to create one comprehensive and universal Expanded Learning Program.

NA

Transitional Kindergarten and Kindergarten

Programs serving transitional kindergarten or kindergarten pupils shall maintain a pupil-to-staff member ratio of no more than 10 to 1. (EC Section 46120[b][2][D]). Please address the proposed schedule and plan for recruiting and preparing staff to work in the program, including supporting them to understand how to work with younger children. How will the lower pupil-to-staff ratio be maintained? How will the curriculum and program be developmentally-informed to address this younger age group?

We expect no more than 4-10TK children. They will be grouped with younger students and an appropriately trained teacher will provide instruction.

Sample Program Schedule

Please submit a sample program schedule that describes how the ELO-P or other fund sources, including the California State Preschool Program for children enrolled in transitional kindergarten or kindergarten, will be combined with the instructional day to create a minimum of nine hours per day of programming (instructional day plus ELO-P or other supports). Also, submit a sample schedule for a minimum nine-hour summer or intersession day.

7:00 am to 8:00 breakfast, homework help, social-emotional learning and outdoor play. 3:00-4:00 a variety of age appropriate activities including age appropriate STEM / robotics, art, and social-emotional support activities. Monday-Friday. Summer schedule: 7:00-4:00 including breakfast, outdoor play, activities, snack time, lunch outdoor play; afternoon activities; afternoon snack dismissal 4:00 pm.

Below are additional legal requirements for the ELO-P. Please ensure your Program Plan meets all of these legal requirements:

EC Section 46120(b)(2):

[LEAs] operating expanded learning opportunities programs may operate a before school component of a program, an after school component of a program, or both the before and after school components of a program, on one or multiple school sites, and shall comply with subdivisions (c), (d), and (g) of Section 8482.3, including the development of a program plan based on the following;

(2) [LEAs] operating expanded learning opportunity programs pursuant to this section may operate a before school component of a program, an after school component of a program, or both the before and after school components of a program, on one or multiple schoolsites, and shall comply with subdivisions (c), (d), and (g) of Section 8482.3, including the development of a program plan based on all of the following:

(A) The department's guidance.

(B) Section 8482.6.

(C) Paragraphs (1) to (9), inclusive, and paragraph (12) of subdivision (c) of Section 8483.3.

(D) Section 8483.4, except that programs serving transitional kindergarten or kindergarten pupils shall maintain a pupil-to-staff member ratio of no more than 10 to 1.

EC Section 46120(b)(1)(A):

On schooldays, as described in Section 46100 and Sections 46110 to 46119, inclusive, and days on which school is taught for the purpose of meeting the 175-instructional-day offering as described in Section 11960 of Title 5 of the California Code of Regulations, in-person before or after school expanded learning opportunities that, when added to daily instructional minutes, are no less than nine hours of combined instructional time and expanded learning opportunities per instructional day.

EC Section 46120(b)(1)(B):

For at least 30 nonschooldays, during intersessional periods, no less than nine hours of in-person expanded learning opportunities per day.

EC Section 46120(b)(3):

[LEAs] shall prioritize services provided pursuant to this section at schoolsites in the lowest income communities, as determined by prior year percentages of pupils eligible for free and reduced-price meals, while maximizing the number of schools and neighborhoods with expanded learning opportunities programs across their attendance area.

EC Section 46120(b)(4):

[LEAs] may serve all pupils, including elementary, middle, and secondary school pupils, in expanded learning opportunity programs provided pursuant to this section.

EC Section 46120(b)(6):

[LEAs] are encouraged to collaborate with community-based organizations and childcare providers, especially those participating in state or federally subsidized childcare programs, to maximize the number of expanded learning opportunities programs offered across their attendance areas.

EC Section 46120(c):

A [LEA] shall be subject to the audit conducted pursuant to Section 41020 to determine compliance with subdivision (b).

EC Section 8482.3(d):

[LEAs] shall agree that snacks made available through a program shall conform to the nutrition standards in Article 2.5 (commencing with Section 49430) of Chapter 9 of Part 27 of Division 4 of Title 2.

[LEAs] shall agree that meals made available through a program shall conform to the nutrition standards of the United States Department of Agriculture’s at-risk afterschool meal component of the Child and Adult Care Food Program (42 United States Code [U.S.C.] Section 1766).

EC Section 8482.6:

Every pupil attending a school operating a program . . . is eligible to participate in the program, subject to program capacity. A program established . . . may charge family fees. Programs that charge family fees shall waive the cost of these fees for pupils who are eligible for free or reduced-price meals, for a child that is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Section 11434a), or for a child who the program knows is in foster care. A program that charges family fees shall schedule fees on a sliding scale that considers family income and ability to pay.

EC sections 8483.4 and 46120(b)(2)(D):

The administrator of every program established pursuant to this article shall establish minimum qualifications for each staff position that, at a minimum, ensure that all staff members who directly supervise pupils meet the minimum qualifications for an instructional aide, pursuant to the policies of the school district. Selection of the program site supervisors shall be subject to the approval of the school site principal. The administrator shall also ensure that the program maintains a pupil-to-staff member ratio of no more than 20 to 1. All program staff and volunteers shall be subject to the health screening and fingerprint clearance requirements in current law and district policy for school personnel and volunteers in the school district, except that programs serving transitional kindergarten or kindergarten pupils shall maintain a pupil-to-staff member ratio of no more than 10 to 1.

EC Section 8482.3(c)(1)(A–B):

Each component of a program established pursuant to this article shall consist of the following two elements:

(A) An educational and literacy element in which tutoring or homework assistance is provided in one or more of the following areas: language arts, mathematics, history and social science, computer training, or science.

(B) An educational enrichment element that may include, but need not be limited to, fine arts, career technical education, recreation, physical fitness, and prevention activities.
